				CO 2	They will learn about various international treaties and conventions enforced by the United nations to protect human rights.	Strong	Strong	Strong	Strong	Strong	Strong	Stron
1	T1055	10143120	Human Rights &	CO 3	They will have the knowledge of various regional systems for human rights protection and promotion so as to compare, examine and analyze.	Strong	Strong	Strong	Strong	Strong	Strong	Stron
1	11033	10143120	International Order	CO 4	Students will develop the ability to think as human rights advocates and understand the impact of globalisation on human rights.	Strong	Strong	Strong	Strong	Strong	Strong	Stron
				CO 5	They will learn about various internationall and regionalenforcement agencies.	Strong	g Strong Strong Strong Strong Strong	Strong	Stror			
				CO 6	They will understand the concept of International Responsibility to Co-operate for the protection and promotion of Human Rights.	Strong	Strong	Strong	Strong	Strong	Strong	Stror
				CO 1	Learners will be able to understand interlinking of science, technology and Human rights.	1	Strong	Strong	Strong	Strong	Strong	Stror
			Griana	CO 2	Learners will be able to study the affirmative use of science and technology for furtherance of human rights.	Strong	Strong	Strong	Strong	Strong	Strong	Stron
1	T1208	10143121	Science, Technology & Human Rights	CO 3	Learners will be able to critically analyze the effects of science, technology and globalisation on human rights.	Strong	Strong	Strong	Strong	Strong	Strong	Stron
-				CO 4	Learners will be able to study the role of nation and international community in furthering the goals of human rights while trying to balance the growth of science and technology	Strong	Strong	Strong	Strong	Strong	Strong	Stror
				CO 1	Students will develop research skills and techniques in the area of human rights, governance and development.	Strong	Strong	Strong	Strong	Strong	Strong	Stron

			Law Cood	CO 2	Students will have knowledge of the development of the concept of good governance in the Indian and Western context. They will also be able to understand emerging concepts like egovernance, financial and environmental governance etc.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
1	T1389	10143122	Law, Good Governance and Development: Conceptual and Theoretical Issues	CO 3	Students will be able to produce research papers in journals of international repute having high impact factor. They will also be able to able to contribute in policy making by critically analyzing the concept of sustainable development.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
				CO 4	Students will be able to provide consultations to governmental and non-governmental agencies in improving the existing model of governance by comparing it with other models.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
				CO 5	Students will have ability to teach in national and international institutions.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
				CO 1	Students will develop research skills and techniques in understanding the concept of rule of law and its importance in ensuring good governance.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
		T1390 10143123		CO 2	Students will have knowledge of the necessary administrative and judicial reforms in the light of contemporary developments. They will also learn about alternative checks such as ombudsman to ensure that agencies will work within their legal bounds.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	
1	T1390		10143123	Rule of Law and Good Governance	CO 3	Students will be able to produce research papers in journals of international repute having high impact factor. They will also be able to able to contribute in policy making by critically analyzing the concept of sustainable development.	Strong						
				CO 4	Students will be able to provide consultations to governmental and non-governmental agencies in improving the existing model of governance by comparing it with other models.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	

				CO 5	Students will have ability to teach in national and international institutions.	Strong						
				CO 1	Students will develop research skills and techniques in the area of human rights, governance and sustainable development.	Strong						
				CO 2	Students will have knowledge of international instruments and their role in shaping the model of governance keeping in mind its impact on human rights.	Strong						
1	T1391	10143124	Human Rights, Governance and Sustainable Development	CO 3	Students will be able to produce research papers in journals of international repute having high impact factor. They will also be able to able to contribute in policy making by critically analyzing the concept of sustainable development.	Strong						
				CO 4	Students will be able to provide consultations to government, institutions and mainly victims whose human rights have been violated.	Strong			Strong	Strong	Strong	Strong
				CO 5	Students will have ability to teach in national and international institos.	Strong						
			Law Relating to	CO 1	To create new knowledge in the forms of research articles.	Strong						
1	T1412	10143125	Marriage and Separation	CO 2	To analyze and solve the practical problems relating to marriage and separation	Strong						
			Law of Inheritance	CO 1	Students will be able to deal with cases of testamentary and intestate succession	Strong						
1		10143126	and Succession	CO 2	Students will be able to make a critical and comparative analysis of the different laws of succession and suggest a uniform code	Strong						
1			Rights of Women, their Protection and	CO 1	and write research papers	Strong						
1			Gender Equality	CO 2	Learners will be able to fill the gaps by proposing suggestions for reforms in existing legislations	Strong						
				CO 1	To gain familiarity with legal phenomena	Strong						

				CO 2	To discover new facts;	Strong						
				CO 3	To test and verify old facts	Strong						
2	T1705	10143201	Dissertation	CO 4	To analyze the facts into new theoretical framework	Strong						
				CO 5	To disguise the weakness or merits of old legal aspects and analyze the effect of new legal system or law on society	Strong						
			Carriage of Goods by Air, Land, Sea	CO 1	Evaluate the importance of transport mechanism in global business and economy.	Strong						
2	T1397	10143202	and Multimodal Transport	CO 2	Analyze and interpret legislations or cases involving multimodal transport.	Strong						
			Transport	CO 3	Conduct legal researches to solve legal issues pertaining to transport laws	Strong						
				CO 1	Learner will be able to explore how national competition laws were justified by a need to ensure economic efficiency and promote consumer welfare at home.	Strong						
2	T1091	10143203	Competition Law	CO 2	Learner will be able to look at how globalisation has resulted in countries being impacted and harmed by anticompetitive conduct that may occur in other jurisdictions.	Strong						
				CO 3	Learner will be able to understand competition laws worldwide.	Strong						
				CO 1	Write policy papers critiquing existing law based on practical developments and suggest amendments.		Strong	Strong	Strong	Strong	Strong	Strong
2	2 T1384 101	10143204	Comparative Investment Law	CO 2	Create research papers by analyzing an existing legislation from a comparative aspect and assessing whether a law of another jurisdiction can be adopted in India and how.	Strong						
2 T			invesiment Law	CO 3	Teach securities or investment law to graduate and post-graduate level incorporating a comparative and a practical aspect.	Strong						
				CO 4	To provide consultations on matters related to securities and investment laws.	Strong						

				CO 1	Learners will be able to look at the convergence of business, Corporate Governance and protection of human rights.	Stuana	Strong	Strong	Strong	Strong	Strong	Strong
			Corporate	CO 2	Learners will be able to critically evaluate the corporate governance structures and patterns.	Strong						
2	T1093	10143205	Governance & Human Rights	CO 3	Learners will be able to study the role of corporations in protecting and upholding the human rights.	Strong						
				CO 4	Learners will be able to evaluate the need to mould corporate goals and obligations with societal expectations and the corporate responsibility towards society.	Strong						
2	2 T1094 10143206	Taxation Laws	CO 1	Learner will be able to study Indian as well as International tax laws and introduce students to the modalities of tax procedures.	Ctuono	Strong	Strong	Strong	Strong	Strong	Strong	
				CO 1	Students will develop research skills and techniques in the area of human rights, governance and development.	Strong						
			Law Cood	CO 2	Students will have knowledge of the development of the concept of good governance in the Indian and Western context. They will also be able to understand emerging concepts like egovernance, financial and environmental governance etc.	Strong						
2	T1389	10143207	Law, Good Governance and Development: Conceptual and Theoretical Issues	CO 3	Students will be able to produce research papers in journals of international repute having high impact factor. They will also be able to able to contribute in policy making by critically analyzing the concept of sustainable development.	Strong						
				CO 4	Students will be able to provide consultations to governmental and non-governmental agencies in improving the existing model of governance by comparing it with other models.	Strong						
				CO 5	Students will have ability to teach in national and international institutions.	Strong						

| | | | | CO 1 | Learner will be able to look at the convergence of business, Corporate Governance and protection of human rights. | Strong |

2	T1251		Intellectual Property Asset Management	CO 2	Learner will be able to elaborate on IP asset identification, IP commercialization, IP valuation and other important areas of IP Management.	Strong						
				CO 3	Learner will be able to deal with generation, management, protection and maintenance of various forms of Intellectual Property.	Strong						

| | | | | CO 1 | Learner will be able to understand
Biotechnology, its evolution and
development. | Strong |
|---|-------|----------|---|------|--|--------|--------|--------|--------|--------|--------|--------|
| 2 | T1252 | 10143214 | Bio-Technology &
Legal Regulation | CO 2 | Learner will be able to understand the legal regulation in Biotechnology pertaining to innovation, IPR, research and industrial growth | Strong |
| | | | | CO 3 | Learner will be able to gain knowledge
and skills in identifying and enhancing
the role of legal regulations in this
frontier technology in the national and
transnational context. | Strong |
| | T1207 | 10142215 | Comparative
Information | CO 1 | Learner will have knowledge of the intellectual property system and ability to identify how technology may influence it | Strong |
| 2 | T1387 | 10143215 | Technology and
Intellectual Property | CO 2 | Learner will be able to properly balance legitimate commercial interests against the interests of the general public and the common good. | Strong |
| 2 | T1210 | 10143216 | Nuclear
Technology:
Dilemmas of Legal
Controls | CO 1 | Learner will be able to study the development of legal mechanism to control the misuse/ abuse of nuclear technology for securing survival and existence of mankind and to make certain that the nuclear applications are used only for the benefit and welfare of the society. | Strong |
| | | | | CO 2 | Learner will be able to evaluate the national and international legal regime relating to nuclear technology | Strong |
| | | | | CO 1 | Critically analyze and compare basic
Criminal Law issues in different
jurisdictions, like India, UK, Germany
and France | Strong |
| | | | | CO 2 | Generate solutions to Criminal Law problems, identify and evaluate the political and social implications of the proposed solutions, and compare these solutions to those offered in other legal traditions and cultures | Strong |
| 2 | T1268 | 10143217 | Comparative
Criminal Law | CO 3 | Critically reflect on media and cultural products dealing with Criminal Law issues in various jurisdiction | Strong |

				CO 4	Read academic texts on Comparative Criminal Law deeply; and communicate basic arguments	Strong						
				CO 5	Make connections to theories and readings when analyzing comparative Criminal Law issues; and theorize, generalize, and hypothesize on these issues.	Strong						
				CO 6	Identify grey areas of research in context with comparative criminal law.	Strong						
2	T1011	10143218	Police Law and	CO 1	Learner will be able to study the functional deliverance of police on the basis of promises made and challenges confronted	Strong						
2	11011	10143216	Administration	CO 2	Learner will be able to understand live problems and measures to combat the legal issues in the justice administration and justice delivery system	Strong						
		10143219		CO 1	Students will understand the law relating to sentences and sentencing.	Strong						
2	T1170		Sentences & Sentencing	CO 2	Students will cultivate among them the ability to think analytically, critically, rationally and reasonably about the law relating to sentences and sentencing.	Strong						
				CO 1	Learner will be able to study varied and contemporary forms of white collar crime and its explanations, theories, and accounts along with its investigation, adjudication, and regulation.	Strong						
2	T1242	T1242 10143220	White Collar Crimes	CO 2	Learner will be able to understand the law and social control of white collar crime; examining specific cases of the investigation of white collar criminals.	Strong						
				CO 3	Learner will be able to understand the challenges of prosecution and defense of such criminals	Strong						
			CO 4	Learner will be able to identify the criminological theories which apply to these kinds of crimes and appreciating the need for further theory, research, and policy.	Strong	Strong	Strong	Strong	Strong	Strong	Strong	

| 2 | T1270 | 10143221 | Victimology | CO 1 | victims and offenders and between victims and the criminal justice system. Learner will be able to analyze by establishing a connection between the | Strong |
|---|-------|----------|--|------|--|--------|--------|--------|--------|--------|--------|--------|
